

## **BOX OFFICE VOLUNTEERS**

Are you a detail-oriented, friendly person with free time during normal business hours? Box Office volunteers answer the phone; sell tickets using online software; and do office tasks, as directed. The box office is open Wednesdays and Fridays from 10am to 4pm from the Wednesday after Labor Day through the Friday before the last show of the season, usually in April. Partial or full 6 hour shifts are available, as frequently as desired. (Two to three times monthly would be beneficial to keeping software skills sharp.) Box Office personnel are under the direction of Diane Veale. For further information, or to apply, please click [HERE](#).
