TICKET OFFICE VOLUNTEERS

Are you a detail-oriented, friendly person with free time during normal business hours? Ticket Office volunteers answer the phone; sell tickets using online software; and do office tasks, as directed. The box office is open Wednesdays and the day of a show from 11am to 2pm from the Wednesday after Labor Day through the last show of the season, usually in April. Three-hour shifts are available as frequently as desired. (Two to three times monthly would be beneficial to keeping software skills sharp.) Ticket Office personnel are under the direction of Diane Veale. For further information, or to apply, please click [HERE](#).
