PERFORMER HOSPITALITY COMMITTEE

Are you the nurturing type? These kind folk work in pairs to care for LTCA performers by greeting them at the LTCA the day of their show; feeding them and helping them get ready for their performance; also selling merchandise, as requested. Someone working in this capacity typically works one or two shows a season. Depending on the performer's needs and the volunteer's tasks, the time commitment could range from a couple hours to all day. Diane Veale is the go-to person for this committee. For further information, or to apply, please click [HERE](#).
